MYSTERY IN WOMAN'S DEATH.

Pittsburgh Drug Clerk Held for Action of the Coroner.

Pittsburgh, Nov. 18.—The body of Mrs. Mayme Greineisen, 35 years old, was found late yesterday in the basement under the pharmacy of C. A. Gavens, on the South Side.

Michael L. Sweeney, a clerk employed in the store, was arrested soon after the body was removed. He told of having helped carry Mrs. Greineisen into the basement about 8 o'clock Sunday night. He was in a highly nervous state and his story was disconnected.

The body of the woman was covered with bruises and a few clothes that covered it were torn. When found it lay on a pile of cinders.

Mrs. Greineisen was the wife of Oliver Greineisen, a drug clerk employed in another part of the city. According to Sweeney, she came to the store Sunday night scantily attired and he said that he and another man carried her into the basement. A search is being made for the man mentioned by Sweeney. Sweeney was taken in charge by the police and will be held for the action of the coroner. The police place little credence in his story.

The discovery came through a remark alleged to have been made by Sweeney to a friend that a woman was in the cellar. The police were notified and they started an investigation.

Frank P. Glass, editor of the Birmingham, Ala., News and president of the Montgomery Advertiser, was yesterday appointed United States senator by Governor O'Neal to succeed the late Senator Joseph P. Johnston. The term expires March 3, 1915.

(Continued from page Two)

T. P. A. BANQUET.

He said it would revive happy recollections of the milk of human kindness as played by members of the T. P. A.

Carroll Pierce president of the Chamber of Commerce, spoke on behalf of that organization. He told of the work it is trying to do for the City of Alexandria and surrounding community. Among other things, he told of its efforts to get the proposed armor plant of the Government located here. A former Senator from Ohio, he said, recently informed him that many members of Congress were kindly towards locating the proposed plant in Alexandria.

Mr. Pierce declared that the work of the city council in improving the city's streets will redound to the city's credit. The city he declared, is coming into its own, and he predicted that the bond issue just passed for good roads in Mount Vernon district Fairfax county, will add to Alexandria's credit. Good roads he said will bring strangers to this community who will be of value to us.

In conclusion the speaker said he trusted the Chamber of Commerce would co-operate with Post P. anything for the benefit of the City of Alexandria.

In a short address Charles Smoot, third, of North Wilkesboro, N. C., told of the work being accomplished by the organization in North Carolina.

Clarence D. Coleman, director of the Virginia division, Richmond, made a very humorous address, a conclusion by telling his auditors always have a motto and "boost their own city."

A. D. Brockett former state president of the organization paid a tribute to Mr. Armstrong and the work for the organization. He told of the work done by Mr. Armstrong at a number of national conventions and also told of the good work being accomplished by the order.

Work being accomplished by the order was also narrated by Secretary P. H. Harwood, of Richmond, who urged the members to work hard for success in the upbuilding of the order.

J. H. Trimyer in a short address said among other things that the members of the T. P. A. are progressive and give impetus to the upbuilding of Alexandria.

Others who made short addresses were J. William May, T. F. E. J. P. J. P. J. W. W. Ballenger and W. Pitts.

Recovered from Lung Trouble—Now Insured

Insurance companies will not accept any one affected with Lung Trouble. When you know a man who has been afflicted and who later has been insured, such action means that the policyholder must be in a very good state of health. Cases have been reported when Lung Trouble, after having been cured, has been reported as a ready-made excuse for Lung Trouble. Have successfully passed the medical test of insurance companies. Read this case.

"Gentlemen: About a year and a half ago I noticed that my health was rapidly failing. I was troubled with 'lung trouble,' a severe cough and was very weak, having in fact, absolutely no vitality. I was unable to do any kind of a physician, who told me my lungs were affected. Not satisfied I went to another doctor, who after examining me, told me I was in the first stages of Lung Trouble. At this point I started to take Bekman's Alternative, which soon began to show its effect. My cough disappeared, my chest became loose and gradually disappeared. My weight is now 122 pounds and my physicians have pronounced me perfectly sound—which, together with the fact that I have just been accepted by two different insurance companies for life insurance, makes me sure of my entire recovery by Bekman's Alternative."

Address: W. E. GFE, (above abbreviated, more on request.) Bekman's Alternative has been proven by many years of successful treatment for severe Throat and Lung Affections, Bronchitis, Whooping Cough, Asthma, Stomach Troubles and in unobscuring the system. Besides its action on the system, it is a powerful blood purifier, and a habit-forming drug. Ask for booklet telling of recoveries, and write to Bekman Laboratory, Philadelphia, Pa., for evidence. For sale by all leading druggists.
